## Welcome Message

Dear Kurash Family,

As the international Kurash calendar enters one of its most important competitive seasons, we are proud to invite national federations, athletes, coaches, and officials to participate in the ISSYK-KUL 2026 International Kurash Training Camp.

Taking place ahead of the 20th Asian Summer Games and the World Kurash Championships, this camp will serve as one of the key preparation platforms for elite Kurash athletes from across Asia and beyond.

Located on the shores of the legendary Issyk-Kul Lake – surrounded by mountains, fresh air, and high-performance training conditions – the camp offers an ideal environment for physical preparation, tactical improvement, and international sparring experience.

Over the past years, participating nations of the Issyk-Kul camps have achieved remarkable success at the Asian Games, World Championships, and continental competitions. ISSYK-KUL 2026 is not simply a training camp. It is a gathering of the global Kurash family.

We look forward to welcoming you to Kyrgyz Republic.

Sincerely,  
**Mirlan Eraliev**  
President, Kyrgyz Kurash Federation
